Star Store Bargain News

OUR Fall and Winter stock of Merchandise bought in anticipation of the season's needs is now complete. Up to the present time we have been somewhat handicapped owing to the late arrival of a few lines, but now everything is in readiness. Every preparation has been made to make this season a banner year in our store. Sentiment is all right in its place, but values and courteous treatment put up a strong argument which should make this store your place for shopping.

Boys' Suits Made To Wear

That's what all mothers are looking for. Boys' Suits made to wear and we have them in all styles and sizes and a large variety of patterns to choose from. Many people go on the assumption that anything is good enough for the boys. Different with us. We have always given our boys' clothing special attention, with the result that we have built up our boys' trade in clothing to such an extent that we are able to carry a stock equal to that of a large store. Mothers bring in your boys. We like to see them wearing a Star Store Suit. They look so well in them.

- Boys' Norfolk Suits in light and dark tweeds, pretty patterns, sizes 23 to 27 - - **\$3.50**
- Boys' Norfolk Suits in dark Canadian tweeds, extra good value, sizes 23 to 27 - - **\$4.00**

These are only two of our many lines. We have just opened up another shipment including a nice range of Boys' Corduroy Suits in Norfolks and 3-piece suits.

LADIES

Do you need a New Overskirt for Winter? See our styles. Examine the fabrics. Have you been searching for skirts which hang as they look on fashion plates? Come to us and your quest is ended. We guarantee you will be satisfied. They are out on the very latest lines and have that snug fit about the hips, and fullness in the skirt which is essential to an up-to-date garment.

The materials used are the very latest fabrics, all advanced styles and shades. Here are a few out of our twelve values:

LADY HELEN

Cut 7 gore from black and navy Vicuna, front trimmed with self bands, self buttons and deep inverted plait. This will be a big seller. Star price **\$2.50**

LADY LOU

Fancy brown and green tweeds 7 gore full flare, front trimmed with self straps and buttons, inverted plait on front gore, black deep stitched inverted plait. Star price **\$3.50**

LADY JANE

Cut from the latest fall tweeds in various shades of gray, etc. 7 gore and very full at hem, trimmed as cut, self tabs, and self buttons. These cloths will retail regularly at \$1.25 per yard, Star price **\$4.00**

Other Skirts—Lady Lil, Gert, Ira, Eliza and Beggy

FURS

The weather says Furs, we say Furs

Furs for ladies, furs for men. Coats, Caps, Garmets, whatever is worth your while is here in ample assortment. The rush of business tells better than anything else what shoppers think of our styles and values.

Groceries

As our grocery stock is getting very low, when the new season's goods arrive, we will practically have a new stock.

A new car of the best brand of canned goods just arrived. New raisins and dried fruits expected every day.

For the following week for cash: 20 lb. sack granulated sugar \$1.10 5 lb. best Lipton tea \$1.50 1 gal. can. peas 40c 2 lbs. best green coffee 25c. Crockery arriving daily, we have now the finest assortment of every day serviceable cups and saucers, plates, platters, vegetable dishes, etc., ever in Wetaskiwin. BARGAIN—A line of glasses that sell regularly at \$1.25 and \$1.50 per dozen, next week 50c. Expected every day a large line of dinner sets. If you want anything in this line it will pay you to wait and see these goods.

Both Water Works and Sewerage Systems for City of Wetaskiwin

Report Prepared by Messrs. Paradis & Thorold, Consulting Engineers, and Presented to Council

The lakes and marshes within eight miles of Wetaskiwin are numerous permanent lakes; they have been known to dry up occasionally every four or five years, in dry seasons. The most and only permanent source of water within a reasonable distance, on the Bears Hill Lake, situated 10 miles west of the center of the city and the Battle River at a distance of 8 miles due east.

It is readily seen that the city is in a very serious position from a sanitary point of view, for both water works and sewerage systems. The intake of water and the outlet of sewage present difficulties which are most problematic. There is no all drainage and sewerage systems, a fair view of the water works situation may be ascribed from the following description.

There are three water schemes which can be placed in any order to advantage, and recognized by municipal engineers: (1) The gravity system where sufficient water is available from a permanent body of water; (2) The direct pumping system which undertakes to force water under pressure into pipes; and (3) a combination of these two using a water tower or a reservoir.

First—The gravity system for Wetaskiwin appeared to be the most feasible scheme. Though the water was at a distant locality (10 miles) Bears Hill Lake presented at first sight all the advantages of a perfect plan. The water is strongly organic but clear, cold, and with every appearance of being from spring sources. As the gravity system of water works is considered the very best, no pains were spared to deeply study this idea of bringing water from Bears Hill Lake to Wetaskiwin, the only source of water above the city, within a radius of 12 miles. Elevations were taken from the city to the lake, soundings were obtained in the deepest part of the lake, and samples of the water were closely examined in order to ascertain if the city could here obtain an economical as well as an effective water system. From the railway station to Bears Hill Lake a difference of level of 91 feet was found; this means that your city could obtain a definite result of 30 to 24 pounds pressure of water in your pipes. As may be observed, the difference of level inclines towards the east from the road allowance, corner of Tinned St. west of the railway station, by 22 feet of fall. Hence the difference of pressure would be very appreciable in a water gravity plant. The intake of this plant can only be placed at the source of the creek running through the city at high waters. This would save cuts as deep as 40 feet through hills surrounding the lake and orn as direct a connection as possible to the town. In order to render this a practical and serviceable plant a "booster" pump for fire protection would have to be attached. This would enable the city to have at its service a pressure of 100 lbs. when required, in all its water mains.

The second system of using water from the lake and direct pumping into the city is not recommended on account of the continuous unequal pressure in the pipes.

The third and most important system to be considered by the city is the combination of the first and second schemes. From information received and the most trustworthy advice, the

Public Meeting

Friday Night, Nov. 16th

By request of a large number of leading citizens a Public Meeting of the ratepayers of Wetaskiwin will be held in The City Hall at 8 o'clock sharp this Friday Night for the purpose of discussing municipal affairs

Every person having the welfare of Wetaskiwin at heart is respectfully requested to be present.

YOU ARE Cordially Invited To call at any time and inspect our showing of Xmas Goods

It is little more than five weeks to Xmas, and while our stock is far from complete we have a great many pretty and useful gifts on display, and new goods are coming in almost daily.

We think this year's display of Xmas gifts is far in advance of anything we have yet attempted. A look through the stock will prove helpful in solving the annual problem of gift giving, and you will not be urged to buy.

To those who have learned by experience the wisdom of early selection of their gifts we would say we would be glad to keep any goods selected, until needed, on payment of a small deposit.

Does Your FOOD Digest Well?

When the food is imperfectly digested the full benefit is not derived from it by the body and the person eating is not fed; no matter how good the food or how carefully selected to the taste of the body it may be. Thus the digestive organs, which are the most important in the body, are often weak and inefficient. This is due to lack of proper food, lack of exercise, lack of sleep, and lack of proper care of the system. The great point is to give the digestive organs a chance to get back to normal and to keep them in good health.

BURDOCK BLOOD BITTERS
is a constantly effective cure of dyspepsia because it acts in a natural yet effective way upon all the organs involved in the process of digestion, removing all clogging impurities and making the work of the digestive system easier.

Mr. R. G. Harvey, Amesbury, Ont., writes: "I have been troubled with dyspepsia for several years and after using three bottles of Burdock Blood Bitters was completely cured. I cannot praise B.B.B. enough for what it has done for me. I have not had a sign of dyspepsia since." Do not accept a substitute for B.B.B. There is nothing "just as good."

Town Topics

Attend the ratemakers meeting in the city hall this Friday night.
Mrs. Ed. Slavik, of Dayland was visiting friends in Wetaskiwin a few days last week.
H. L. Higgs and bride returned from their honeymoon on Saturday last. They visited Edmonton, Calgary and Banff.
J. F. Fowler was an Edmonton visitor on Friday last.
Mr. Boggs, who has resigned from the Imperial Bank, left on Monday for Bowden. Mr. Wilson, of Toronto succeeds him in the bank.
J. H. Martin and V. C. French were at Alton last week assisting at the institution of the Odd Fellows Lodge.
J. W. Horie has disposed of his business at Strome, and will hereafter reside in Wetaskiwin. The family arrived here last week.
Read S. J. Simmons' change of advt in this issue. He has moved his office to two doors north of the Criterion Hotel.
Supreme Court will be held in Wetaskiwin, commencing on December 4th.
Mr. and Mrs. Carl Talbot left on Saturday for Canmore, Mr. Talbot having purchased the photograph business from Mr. Langlois.
Miss Jessie Peay who has been visiting relations and friends here for a month, left for home on Friday last.

Church Chimes
A congregational At Home will be held at the Methodist church on Wednesday evening of next week, Nov. 21st. An excellent program is being prepared, and refreshments will be served. A cordial invitation is extended to all.
A meeting in the interests of the Bible Society is being held in Immanuel church this Thursday evening, the address being delivered by Rev. F. W. Goodlove, of Neepawa, Man., agent for the Society.
There will be enrollment of recruits at the Salvation Army next Sunday evening at 8 o'clock.
Ensign Hablik and Capt. Rankin leave on Tuesday next for Winnipeg to attend the annual officers' council. During their absence the meetings will be conducted by the local officers.
As the Vreenville Hospital is under the auspices of the Presbyterian Church of Canada ladies of the W.H.M. Society of Wetaskiwin intend giving a linen bazaar in aid of the above hospital on Thursday afternoon, Nov. 22nd, at the Massey. The "drops" of this bazaar may consist of sheets, pillow cases, towels, table napkins, etc. Donations to this "bazaar" gratefully accepted.

On Sunday, Nov. 25th, there will be a Missionary and Union Meeting at the Swedish Baptist church, Wetaskiwin, commencing at 10 o'clock a.m. and continuing all day. Dinner will be served at the W. taskiwin Hotel for those who come from a distance. All Scandinavians are cordially invited. Don't forget the date, Nov. 25th.

Meas. Wm. Whyte and R. R. Jamieson, C.P.R. officials, passed through the city on Wednesday. We understand that during their brief stop here they made the announcement that their plans in the matter of crossings had been altered and that they had decided to give Wetaskiwin two crossings, namely Monk street and Lundown street.

Mr. H. I. Miller will hold his post-nuptial reception on Wednesday, the 21st inst.

Municipal Affairs.

Two weeks from Monday next—December third—will be municipal nomination day, and the election will be held one week later. It is, therefore, high time that the ratemakers of Wetaskiwin were settling the heat men as candidates for the Mayor's chair, the Council, and the School Boards for next year.

There has been a lot of fault-finding and grumbling with the ratemakers of the council during the past year. The present members of the council are not entirely to blame, as they conducted the business of the municipality to the best of their ability.

But now another opportunity has arrived, and men who will carry out the wishes of the ratepayers should be elected. The able men, who are capable of satisfactorily moulding the destinies of this young city, should sacrifice a little time, and, if necessary, money, for the advancement of Wetaskiwin, by allowing themselves to be elected to the council board of next year. With the great importance of Wetaskiwin, their own enterprises would experience a proportionate development and they would, by sharing in the increased business, be recompensed for the sacrifice.

If ever Wetaskiwin needs a council board of shrewd and alert men, that need is next year. For the installation of a system of water works and sewerage—to say nothing of the other large improvements which are mooted—a council comprised of practical men is desirable, men who are willing to devote a large amount of time and thought to the work in hand.

The time has arrived for a more progressive policy in connection with the expenditure of public money, and we want aldermen who will recognize the fact. It is not any needless expenditure of public funds that is advocated, but a well-directed investment of municipal money in improvements to our city.

All add to its appearance and to the well-being of the business men, we now possess, and in harmony with the large and expensive edifices to be erected next year.

The ensuing council should either enforce or repeal the by-laws which its predecessors have passed and endeavor to administer the affairs of the city from the standpoint of citizens who believe in the better future ahead of it. The duty of the ratemakers will be to endorse, or, by giving the matter careful consideration, to choose such men, rather than to stand passively by while the elections are over and then find fault with every action of the new council.

Four best citizens sacrifice self-interest for the welfare of the city, and allow themselves to be candidates for aldermen for the year 1907.

Bowel Troubles of Childhood

It is impossible to exaggerate the value of FRUIT-A-TIVES as a medicine for children. They contain no alcohol—no morphine or cocaine—no dangerous drugs of any kind.

Fruit-a-tives are fruit juices—concentrated and combined with the most valuable tonic and intestinal antiseptic known to medicine.

Fruit-a-tives are free of calomel, cathartics, and the host of violent purgatives that simply act by irritating the bowels. Fruit-a-tives are made from fruit and tonics and are pleasant to take, and so mild in their action that they never gripe or pain.

During the summer, when children are so apt to eat improperly, mothers should have a box of Fruit-a-tives always handy.

At the first signs of Diarrhoea, Indigestion, Headaches, Biliousness, Feverishness, Vomiting—give Fruit-a-tives according to directions. This splendid fruit juice will instantly correct digestive disorders—clean and sweeten the stomach—regulate the bowels, kidneys and skin—and so invigorate the whole system, that the little ones can quickly throw off the temporary illness.

Get a box now—today, sec. a box or 6 for \$2.50. Sent on receipt of price, if you druggist does not handle them.

Killam

(Intended for last week)

The Union Ladies' Aid held a box social in the new addition of McKenzie & Russell's store. Although different forms of entertainment were presented on every side a large crowd gathered, spending a very enjoyable evening. A short program was rendered, Mr. Chas. Stewart ably filling his position as chairman.

Mr. Dobry, of Wavy Lake, has bought out the lumber yard interests of Rattray & McLeod. There are rumors also of his buying out the Killam Lumber Co.

The station has received a couple of coats of paint, adding much to its already splendid appearance.

School has begun at last and the attendance roll is growing rapidly under the able tutelage of Mr. York.

Mr. Chas. Stewart is rapidly erecting his dwelling house.

The Church of England held services here Sunday, Mr. P. Carter preaching. Services will be held first Sunday in each month during the winter months.

Miss Hanson is visiting her friend Miss Erickson.

Mr. A. J. Neely paid the capital a flying trip.

Fred and Charles Robertson had the pleasure of having their uncle with them for a few days.

The "McKenzie Feres" has turned out dangerously contagious. Many have been taken with the malady the last few weeks, especially since the box social. The sympathy of the entire community is with them all.

Killam is booming, property changing hands fast, Mr. D. Cotta having disposed of his fine property to Mr. C. Stewart.

Mr. M. Neil is moving into town for the winter.

Williams boys who out hunted, succeeded in catching a fox.

Round Hill

Winter, Winter, Winter. The dance given at J. Wade's on the 8th was just first class, in spite of the bad weather a large crowd of lads and lasses from the surrounding country gathered there and kept the music rolling till the sun's wee hours.

Mr. Carl Nelson has gone to British Columbia for the winter.

Behold how great a matter a little fire kindleth, is very true as regards a little spark that happened to drop on what was not supposed to be very dry material and all attempts to extinguish has thus far proved a failure.

Mr. Mohler has started feeding his steers for spring beef. He has about seventy head.

The coal mines are working full time and are well patronized.

Mr. J. N. Asgaard has changed his occupation for the present.

Mr. Kathin is doing quite a business in the trading line these days, that's right these men if you can.

What we want out here is some good coyote hunters to rid us of these annoying brutes, they are unusually plentiful and have been doing quite a lot of damage among poultry.

Earling

All the people are returning to their Alberta homes.

Carl Fodness returned from Grafton N. Dak.

Mr. Mat. Lamu and wife and Miss Mary Jacobs who went away about this time last year returned on Friday.

Miss Hovlin who has been ill for some time went to the hospital at Edmonton. The last we heard of her was that her recovery was doubtful, P. Paulson, a relative, went up on Monday to learn more of her condition, but at time of writing he has not returned.

Thompson & Batcher of Camrose, were through here on Sunday, their object being cattle buying.

Services were held on Monday, P. Bjerkstad officiating.

Don't forget the dance, Dec. 1st, 7th Tel.

The school teacher arrived the other day, and the school will be opened at once.

Dried Meat Lake

Jones & Bradbury finished up their threshing for this year at Mr. Bradbury's, on Thursday. They were well pleased with the success of their run this season.

The quarterly meeting was postponed from Oct. 28th to Nov. 11.

Rev. Mills preached a very interesting sermon last Sunday.

Word was received here last week that the little son of Raymond Quick, of North Yakima, Wash., died on Oct. 25. Mrs. Quick is a daughter of Wm. Ferguson sr. They have many friends here, who deeply sympathize with them in their great loss.

Homer White expects to depart for California in a few weeks. His brother John is out there and likes the country very much.

Will Ferguson Jr., had a very bad attack of the quinsy last week. He is much better now.

[Wetaskiwin]

The Alberta Pacific Elevator Co. has found the first sample of No. 1 hard wheat among some graded grown in the Ponoka district. Local growers claim that there is a fair amount of the same quality in the district.

Wetaskiwin's Successful Gardener

Mr. W. Piskop, Wetaskiwin's efficient gardener, reports that he has had a most gratifying season, considering that this is the first year the soil has been cultivated.

He succeeded in successfully growing ripe tomatoes, and many other tender vegetables, which even the old timers thought would never materialize in this section of the country.

He is having his green house enlarged, and will shortly have over 1000 feet under glass. Mr. Piskop, who claims to be a more successful florist than gardener, will cultivate flowers this winter, and expects to be able to supply fresh carnations, roses, etc., at any time during the winter months.

Next spring he expects to have a large area in strawberries and other fruits, and hopes eventually to be able to supply the local demand in such truck. He is also setting aside an acre or more of land for experimental purposes to test the growth of various kinds of apples, crab apples, plums, etc. In this latter undertaking the Alberta government is giving him every assistance and encouragement.

If there is a man in central Alberta that can successfully grow fruits of all kinds, it is Mr. Piskop, and the government has made a wise selection in having him take charge of their experimental station at this point.

Zam-Buk Wins Workers Praise

Marvellous Cure of Burns

Zam-Buk has been called "the worker's friend" because it brings such relief and healing to workers who suffer from cuts, burns, bruises or any skin injury or disease. Mr. Alf J. Clark, of Camendish street, London, Ontario, tells how Zam-Buk cured him of severe burns. He says: "I got my hands very severely burned with lime. The burns were so deep that as I pried my shovel the blood actually ran down the handle. The agony I suffered you may well imagine. I tried several different kinds of salves but the burns were too severe for these preparations to heal."

"I obtained a supply of Zam-Buk and the very first application gave me ease. This pleased me, you may guess, but as I applied the balm each day I was more and more pleased with the effect. The pain was relieved completely."

"I had often heard of Zam-Buk, but thought before I tried it that it was similar to the ordinary salves you see advertised. In a very short time Zam-Buk healed my burns completely, and my hands actually felt better—the muscles more firm and the skin in better condition than before I was burned."

Not only for burns, but for cuts, bruises, sprains, etc., Zam-Buk is the best and surest cure. It also cures eczema, ulcers, abscesses, skinworms, boils, eruptions, poisoned wounds, chapped cracked hands, cold sores, chilblains, bad leg, piles, etc. All drugs as well at 50c, a box, or post free from the Zam-Buk Co., Toronto, on receipt of price. Six boxes for \$2.50.

Rhodes Scholarships

The next election of scholars in Alberta and Saskatchewan under the Rhodes bequest will take place in the month of January, 1907. This scholarship is available for three years and is of the value of \$300 per annum.

The conditions of admission are to the effect that the applicant must be: (a) a British subject; (b) unmarried; (c) between 19 and 25 years of age; and (d) have reached the end of the second year's work at some recognized degree-granting college in Canada.

An important departure has been made by the trustees of the Rhodes bequest in that a student who has taken a full course for two years at a colonial university is eligible for admission without having previously passed the examination in Greek. Before being granted a degree, however, the elected scholar will be required to pass an examination in Greek and should do so as soon as possible after he arrives in Oxford.

Candidates for admission as a Rhodes scholar should apply to His Honour the Lieutenant-Governor of Saskatchewan who is Chairman of the Committee of Selection. Any further particulars respecting the course can be obtained from the Deputy Commissioner of Education, Regina.

Central Alberta Hockey League

A meeting of delegates took place at Lacombe on Friday last to consider the formation of a Central Alberta Hockey League to include the clubs at Wetaskiwin, Stettler, Red Deer, Innisfail, Olds and Lacombe. The delegates present at the meeting were T. Green representing Wetaskiwin, W. Reed from Stettler, A. H. O'Brien for Olds, and N. Morrison Lacombe. While Red Deer and Innisfail were not represented, the delegates were assured that these clubs would join the proposed league and it was decided to proceed with the work of organization. W. F. Puffer was elected President and W. W. Brown, of Lacombe secretary-treasurer of the league and it was decided that the executive committee consist of one member from each club, to be appointed by each club.

The rules of the Manitoba Association were adopted and each club will be furnished with a copy. The secretary was instructed to write the Edmonton Brewing Co. requesting them to donate a suitable trophy to be competed for. The fee required to be paid by each club to the league funds was fixed at \$5.00 and must be paid before the club can take part in any league game.

It was decided to divide the clubs into north and south divisions, the north to include Wetaskiwin, Stettler and Lacombe, and the south, Red Deer, Innisfail and Olds. A double series of home and home games will be played in each division and the winners will play off for the championship of the league at a time and place to be fixed by the executive committee. All primary games must be played before January 31st. The schedule for the northern division has been drawn up as follows:

- Dec. 4, Wetaskiwin at Stettler.
- " 10, Stettler at Wetaskiwin
- " 14, Lacombe at Stettler
- " 18, Wetaskiwin at Lacombe
- " 25, Stettler at Lacombe
- Jan. 1, Lacombe at Wetaskiwin

OUR BIG WINTER SALE

WILL continue as advertised until the 1st day of November. Hundreds of people have taken advantage of the bargains we are offering. Why don't you? We have some very special lines in all departments to offer, a short summary of which we will give you herewith.

In our Dry Goods Department we wish to draw your attention more particularly to the line of Dress Goods we have advertised at 95c. These goods are not old or shelf-worn lines but are all up-to-date stuff, regular price of which are \$1.15, \$1.25 and \$1.40 per yard.

Our next item of importance is in the Shoe Department. As you all know, leather has advanced about 20 per cent. We were fortunate in buying early and have a line of Men's Grain Blucher which we offer for sale at \$3.25. This Shoe is an oil grain and will not get hard. It is also lined throughout with felt, which makes it for a warm shoe one of the warmest.

In our Hardware Department ad, last week we made a mistake when we advertised those heaters at \$2.00 and \$3.00, but we have advertised them at that and at that we are going to sell them. Just while we are talking of Hardware, we have a Steel Range which is certainly a snap at the price \$25.00, with six holes, good large oven and high warming closet. There are only six of these left and if you are thinking of purchasing a range see it and if it is not all right in your estimation, why—There is no harm done.

Now, coming down to what we are all very much interested in—Something to Eat—we have to confess to having made another error when we advertised Evaporated Apples 25c per pound. The price should have been 10c per pound. That is the price we sell them at. As we said in last week's ad, and we repeat it here, we guarantee everything as advertised (unless sold out). We also want to make things satisfactory and to do so will give you back your money if you get what does not meet with your approval. This sale is going on now and will continue until the last day of Nov. Our opening day of this sale was the largest day's business we had this fall and every day since has been a "hummer." If you are wanting goods in our lines we can save you money and would invite you to call on us anyway whether you wish to buy or not. We are

Yours for more business and becoming better acquainted,

Thursday of this week was the last day in which a discount was allowed on the payment of 1 cent.

Neil Callaghan's road through the city this week was for his home-stick at St. John's.

Bawlf

Now that the gathering robes of winter have decked our village in its mantled white, and the jingling sleigh bells' echo is heard, our memory passes back to the scenes of our childhood, when, amid the silvered tones that lay concealed in the ancient forests of old Ontario, we listened to their merry sounds and followed them through thickets heavy with their glistening burden of snow, or skated up the winding creek, or over glassy ponds. We are conscious of the fact that the wheels of time are passing and soon again we will be face to face with familiar scenes of Christmas.

Some of our citizens are preparing for the changing times and we note that our friend Toolay is completing his fine residence.

The Bawlf Hardware Co. have added a large store to their premises for the storage of machinery and furniture and have covered all with metal and paint.

This contract has been let to Mr. Mostard for the erection of the Methodist Church, which, when completed, will be one of the best on the lake. The style follows, has been Gothic throughout as far as possible.

Negro Scott is being kept busy by the numerous calls Dr. McEuburn has had and patients having been brought in here for attendance.

We are sorry to inform the public of the death of the father of Mr. C. W. Patney, who died after a short illness, aged 71.

A number of Bawlf people attended the Dayland chicken pie supper, given by the Methodist church, and Mr. Thos. Fraser and Mrs. D. A. Fraser contributed to the program.

Mr. T. Fraser, the noted Ontario spot, recently was chicken shooting and as usual captured a large bag.

Resides the Alberta Milling Co. Mr. Tooley is buying and shipping grain.

Bawlf has a grain chopper which is operated on Tuesdays and Saturdays. We heard not long since of a flour mill to be located here.

Mrs. Ward, wife of our station agent, has arrived home after a four month's visit to the west and is accompanied by her sister in law, Miss Ward.

Mr. C. A. Davidson, jeweller, has opened a shop at Bawlf, we wish him every success. Mr. Davidson is a young and progressive man and no doubt will do well, as this place was in need of a jeweller.

Sealed tenders addressed to the undersigned and endorsed "Tender for Public Building, Edmonton, Alta." will be received at this office until Wednesday, November 28, 1900, in-clusively, for the construction of a Public Building at Edmonton, Alta.

Plans and specifications may be seen and forms of tender obtained at this Department, on application to Mr. R. J. Mackenzie, Clerk of Works, Edmonton, Alta., and Mr. J. Greenfield, Supt. of Public Works, Winnipeg, Man.

Persons tendering are notified that tenders will not be considered unless made in the printed form supplied, and signed with their actual signatures. Each tender must be accompanied by an accepted cheque on a chartered bank, made payable to the order of the Honourable the Minister of Public Works, equal to ten percent (10 per cent) of the amount of the tender, which will be forfeited if the present tendering scheme is voted into a contract when called upon to do so, or if he fails to complete the work contracted for. If the tender is not accepted the cheque will be returned.

The Department does not bind itself to accept the lowest or any tender.

By order, Secretary

Department of Public Works,

THE TIMES OFFICE

The new pure Food and Drug Law will mark it on the label of every Compound containing Opium, Chloroform, or any other stupefying or poisonous drug. But it passes Dr. Shew's Cough Cure as made for 20 years and is free. Dr. Shew's all along has bitterly opposed the use of all opiates or narcotics. Dr. Shew's Cough Cure is absolutely safe even for the youngest babe—and it cures. It does not simply suppress. It is a safe and reliable Cough Cure, by simply taking out our having Dr. Shew's Cough Cure in your protection. We cheerfully recommend and sell it. Red Cross Pharmacy, H. L. Higgs, proprietors.

Attention Farmers

We are paying five cents per bushel above market price for all wheat exchanged at our mill for flour. Our flour this season is better than ever.

We are wholesale agents for the Western Canada Flour Mills Co., the largest flour mills in Canada. They claim that their flour is the best in the Dominion. We make and sell nothing but the best and guarantee every sack of flour we sell.
